

HealthSource of Ohio believes healthy people and healthy families lead to healthier communities.

That's why we are committed to providing a unique and comprehensive approach to healthcare that is accessible, affordable and focused on your needs first — your health, your care.

HealthSource is a not-for-profit community health center that is dedicated to providing our patients with quality, personalized primary care.

We offer a discounted fee program to uninsured and underinsured patients. Eligibility is based on family size and income. You may also qualify for the program if you have insurance but cannot afford the deductible.

How it works

Eligible patients pay a fixed fee for office visits and exams and pay a percentage for lab work, procedures and obstetric services. Patients can also receive discounted prescriptions through our HealthSource Pharmacies.

Once your fee is determined, you will receive a Sliding Fee Card which you can present at your office visits.

Patients are required to pay their fee at the time of service.

Eligibility

Our staff will help determine your eligibility in the Discounted Fee Program. The center manager will ask you to bring the following information:

- Your most recent income tax return or W-2 form
- Your two most recent payroll stubs, if you are currently employed
- An eligibility letter for Social Security, Veterans Administration, or other benefits you receive
- Unemployment Determination of Benefits (if you receive Unemployment benefits)
- Copy of your divorce decree or other court documentation verifying alimony and child support
- EBT eligibility form to verify benefits
- Statement giving the amount of gross income per month, if you are self or privately employed
- Patients under age 19 must be denied by Medicaid for financial reasons before they can be eligible for the Discounted Fee Program. A copy of the denial letter from the county DJFS must be shown at the time of the eligibility interview for the Discounted Fee Program

If you are determined eligible, you may remain on the program for one year, unless your financial status changes. After one year, we must re-verify your eligibility.
